SUPPLEMENTAL PRELIMINARY AMENDMENT

Further to the Preliminary Amendment previously filed, and prior to initial examination
on the merits, please amend the above-referenced application as follows:

20

IN THE ABSTRACT

Please replace the abstract with the following rewritten abstract:

—A modular printer system comprising a support frame, a chassis, a media holder, and a
printer assembly. The support frame supports the other components and may be attached to
other devices. The chassis is slidably attached to the support frame so that it may be at least
partially removed from the support frame thereby exposing components attached to the chassis.
The chassis is adapted to hold the media holder and the printer assembly. The media holder
